- **Overall** Winning Pair
- **Best Result by an Intermediate Player.** This is for the highest placed Intermediate player. They may have been playing with an Open ranked partner. The Intermediate player gets the Cup and the \$20 prize money. The open partner does not get anything. If the Best Intermediate result is by two Intermediates playing together, both names are engraved on the Cup, and each gets \$20 in Prize money.
- **Best Result by Junior Player.** This is for the highest placed Junior player. If they were playing with an Open or Intermediate ranked partner, the Junior player receives the Cup and the \$20 prize money. The Open player does not get anything, but obviously if the best pair is an Intermediate and Junior player playing together, the Intermediate gets the Intermediate Cup and the Junior gets the Junior Cup.
